Look the part and build trust and credibility with your audience with Brand Hero.

Today we're known as Brand Hero, but it's only been that way for a little while. A lot has changed since Ron Edwards first opened the doors to 'RJ Edwards Printing' in 1996.

FROM THE MOST HUMBLE OF BEGINNINGS

From a suburban garage in north Brisbane, the printing presses of RJ Edwards Printing first turned over in late 1996. Founder Ron Edwards was born with printing ink in his veins. He worked the newspaper industry in the UK for 2 decades, before moving to Australia and working as an estimator for one of Brisbane's largest signage companies. Along with his wife Anne, they quickly established a reputation for quality colour management and a strong customer focus.

The business soon grew beyond the walls of his humble garage and a commercial property was sought in nearby and newly booming Brendale. A name change to All About Print ensued, as did the appointment of his son Jonathan to the team, heading up the graphics department.

All About Print began to grow from a predominantly print-based offering to that of signage, digital print and design.

WE DIDN'T START THE FIRE

Early 2019 saw huge changes in the company. A fire to a neighbouring business caused extensive damage to both the stocks and equipment of All About Print. Forced into a unplanned move, the business relocated to another Brendale location.

Like a forest fire removes the deadwood and allows new green shoots begin to spout, the fire enabled the company to move past a difficult period and onto new pastures. It forced us to think differently about our company, our offering and how we best serve our customers.

A HERO IS BORN

In mid-2019, we changed our name to Brand Hero. We found this reflected our true direction. The 'Brand' is you. It's how you look and how you feel. The 'Hero' is not necessarily us, but it does sum up how we want to approach each project with you.

Printing, just like signage and design, is simply a tool we use to help Brisbane businesses soar to new heights, but we do way more than printing.

Over the years, we built a loyal and diverse client base built on quality work and honest communication and have added signage, website design and marketing to our product offerings.

Community *Involvement*

2019

The team at Brand Hero is proud of our involvement in our local and international community. We are always looking for opportunities to contribute and support those less fortunate than us.

Breast Cancer Awareness Morning Tea

Breast Cancer Awareness is a topic close to the hearts of our team. In 2019, we held our first annual Pink Ribbon Morning Tea to support this awareness and raised funds for the National Breast Cancer Foundation and its ongoing research.

2020

Bushfire Appeal

In the 2019-2020 summer, much of Australia was devastated by bushfires. In an effort to support the impacted Australian communities, in February 2020, we raised funds for the New South Wales Rural Fire Service.

Ekka Ice Cream Sundaes

In 2020, our local community, like many others, had all felt the sting of the COVID-19 pandemic and its subsequent lockdowns. The community was devastated by the cancellation of the annual Ekka. Brand Hero ran a Sundae Fundae, selling Ekka-style strawberry sundaes and raising money for The Common Good Australia.

Signs for Local Cafes

In the midst of the first COVID-19 lockdown in Brisbane, Brand Hero saw many small businesses struggling. In particular, local cafes. In a time when these businesses needed to pivot and quickly, Brand Hero saw an opportunity to give back to the community. We provided free corflute signs to local cafes in the area, so they could promote takeaway food and coffee through the lockdown.

2021

Breast Cancer Online Auction

After the success of our 2019 Breast Cancer Awareness Morning Tea, we ran an online auction, again raising funds for the National Breast Cancer Foundation. Auctioning off a range of fantastic contributions from the local businesses within our community, we donated 100% of the proceeds to the National Breast Cancer Foundation.

2023

Toys for Joy in Papua New Guinea

In 2022 and 2023, our team had the pleasure of working in the Western Province of Papua New Guinea. On our return to Australia, we dedicated some time to running a toy drive in our local community to help provide toys to the wonderful children of rural PNG. We received more than 1300 toys, which Ok Tedi Mining Limited helped transport to PNG.
